# An Arabic Reading Adventure

Students master the Arabic language as they read, listen and learn-while having fun

-  **Read:** Nahla wa Nahil offers more than 1000 leveled Arabic e-books.
-  **Assignments:** Create assignments for single and/or multiple students.
-  **Voice Recording:** Students can record the story in their own voice while reading. Teachers can accordingly assess the reading level of each student.
-  **Activities:** Reading and comprehension are evaluated by fun online and offline activities.
-  **Assessment:** Set up customized level up criteria for students and easily evaluate their reading and comprehension skills.
-  **Games:** Students are rewarded coins on completion of stories, which can be used to unlock fun, educational games.
-  **Videos:** Introducing over 100 Madrasa Videos in collaboration with Mohammed Bin Rashid Al Maktoum Global Initiatives. Classified by student grade and Arabic language skills, and backed by quizzes and interactive printable worksheets.
-  Assessments, analytics and statistical reports, that provide teachers with detailed information about the students' reading levels and weaknesses.
-  Aligned with the International Baccalaureate Primary Years Programme (PYP).
-  Compliant with Arabi 21 and Mubadara leveled reading standards.
-  Audio e-books.
-  30 Specialized publishing partners.
