An Arabic Reading Adventure

For K-8 Students

Students master the Arabic language as they read, listen and learn-while having fun

About Nahla**Wa**Nahil

The Leading Arabic Language Literacy Platform

Students in grades K-8 can improve their Arabic reading and comprehension skills and enjoy the process with Nahla wa Nahil, an engaging program created by Arabic language teachers. Tailor made for elementary-age learners, Nahla wa Nahil's approach improves levels of reading, knowledge, cognitive skills, memory, and also:

- ✓ Empowers teachers to monitor student comprehension and customize instruction with formative assessments and dashboards
- ✓ Motivates students with Knowledge Power: as students earn, they can customize their own character and unlock access to videos and games
- ✓ Includes fun activities to help with shapes, colors, letters, numbers, and more

OUR APPROACH HELPS STUDENTS BECOME CONFIDENT, INDEPENDENT READERS

A consortia of educational publishers, educators, and academics dedicated to teaching and learning have leveled more than 1,000 books from 30 publishers within Nahla wa Nahil. As students progress through the program, they are encouraged to check their comprehension, which allows teachers to monitor their learning and progress in building essential Arabic reading and language skills.

With guided reading instructions that follows the Arabi21 and Mubadara leveling guidelines, Nahla wa Nahil helps young readers process a variety of increasingly challenging texts over time. Students are propelled from one level to the next through our game-based learning approach; they quickly master independent reading and deep comprehension of high-quality text.
